Family Caregivers Program for Post-9/11 Veterans

New Services for Family Caregivers of Post-9/11 Veterans

Under the "Caregivers and Veterans Omnibus Health Services Act of 2010," additional VA services are now available to seriously injured post-9/11 Veterans and their Family Caregivers through a new program of Comprehensive Assistance for Family Caregivers.

Who Is Eligible?

Post 9-11 Veterans who have:
1) Sustained a serious injury
   - including traumatic brain injury (TBI), psychological trauma or other mental disorder
2. Incurred or aggravated in the line of duty, on or after September 11, 2001
3. Veteran must also be in need of personal care services because of an inability to perform one or more activities of daily living and/or need supervision or protection based on symptoms or residuals of neurological impairment or injury

New Services Available to Family Caregivers through this Program

1) Monthly stipend
2) Travel expenses (including lodging and per diem while accompanying Veterans undergoing care)
3) Access to health care insurance (if the Caregiver is not already entitled to care or services under a health care plan)
4) Mental health services and counseling
5) Comprehensive VA Caregiver training provided by Easter Seals
6) Respite care (not less than 30 days per year)
